**Jesus Christ**  
The Guiding Light

## **CHRIST AND BLESSED CHAVARA**

Christ is the teacher par excellence. The college is dedicated to Him. He is our supreme guru and inspiration. He is our guiding light. He is our utmost model of Excellence & Service.

Blessed Kuriakose Elias Chavara, the founder of the religious congregation, Carmelites of Mary Immaculate (CMI) is our source of inspiration as the seminal influence of his vision and dreams permeates through our activities today.

**Blessed Elias Kuriakose Chavara**

## **OUR HISTORY**

Christ College was founded in 1969 in Bangalore by the Carmelites of Mary Immaculate (CMI), the first indigenous religious congregation of India with a view to blend sacred and secular education. The congregation with a membership of more than 2000, renders service to humanity in educational, social, health care and other sectors of social action which aims at integral development. The congregation has various institutions in Bangalore, namely, Dharmaram College - a seminary for the CMIs; Dharmaram Vidya Kshetram - an ecclesiastical university which confers Degrees in Philosophy, Theology and Canon Law; Christavidyalaya - a Kannada Medium School; Christ English Medium School and Christ College.

Our college has the rare distinction of being the first college in Karnataka to be accredited by National Assessment and Accreditation Council (NAAC), an independent council under UGC.

# The Strategy

## *Our Vision*

### **EXCELLENCE AND SERVICE**

Christ College, a premier educational institution, is an academic fraternity of individuals dedicated to the motto of ***Excellence and Service***. We strive to reach out to the star of perfection through an earnest academic pursuit for 'Excellence' and our efforts blossom into 'Service' through our creative and empathetic involvement in society to transform it.

## *Our Mission*

**CHRIST COLLEGE IS A NURTURING GROUND FOR AN INDIVIDUAL'S HOLISTIC DEVELOPMENT TO MAKE EFFECTIVE CONTRIBUTION TO SOCIETY IN A DYNAMIC ENVIRONMENT.**

The holistic development of an individual is attained through academic excellence, professional competence, personal, interpersonal and societal skills. The college is committed to its mission and vision in all its endeavours. Holistic development involves our participation in our national dreams and aspirations and our dedication to promote national integration and religious harmony.

## *Our Core Values*

The core values which guide us at Christ College are:

- **FAITH IN GOD**
- **MORAL UPRIGHTNESS**
- **LOVE OF FELLOW BEINGS**
- **SOCIAL RESPONSIBILITY**
- **PURSUIT OF EXCELLENCE**

## From the Team...

**H**ow does one put into a few lines what has taken a year to achieve? A year that was replete with a plethora of scholarly and cultural activities that is the sign of a vibrant academic community.

The following account gives you a glimpse of the spirit of the college's mission, **Holistic Education** that animates and inspires our community. The academic year saw activities ranging from **National Conferences on 'Physical Education and Sports Sciences'** and **'The Impact of Globalization and WTO on Higher Education in India'** to cultural festivals like **'Darpan'** and **'In Bloom'**.

However, the academic year was marked by two important events – first the visits by the **UGC team on Autonomy**, followed by the **re-accreditation team from NAAC** at the end of the term. While the former panel gave us an opportunity to assess our preparedness to make the transition to the autonomous system, the NAAC visit helped each department to showcase the achievements and Best Practices of the last five years with a quiet pride.

The Mahatma has said **"Almost anything you do is insignificant but it is very important that you do it"** As we chronicle the year gone by we dedicate this issue of Christite – 2005 to all the efforts of the Christ College Community in their pursuit of **'Excellence & Service'**.

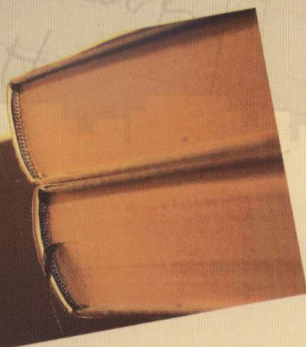

... the Team.

The year 2004-05 saw the college seeking re accreditation from National Assessment and Accreditation Council (NAAC). It submitted it's Self Study Report in November 2004, and the Peer team comprising of Dr. Ashok Pradhan, Former VC, YCMOU, Kalyan, Dr. Mamatha Satapathy, Emeritus Professor, Utkal University, Bhubaneswar and Prof A.K.Saxena, Former Principal, Vijaya Raje Govt. College, Gwalior, visited the College on 14th, 15th and 16th February 2005 along with Dr. Lata Pillai, the representative from NAAC.

The highlight of the NAAC visit was an exhibition put up by all the departments involving the students and faculty showcasing all their Best Practices and achievements of the past five years. All the Centres and administrative offices also participated in the exhibition. The team also interacted with representatives of the parents, alumni and industry members who employ our students.

## AUTONOMY

On 28th August 2004, a team comprising of Dr(Sr) Annamma Philip, Principal, Stella Maris College, Chennai, Prof H Devaraj, Head, Dept of Bio-technology, University of Madras, Chennai, Dr. Marian Pinheiro, V.M. Salgaocar College of Law, Goa, and Mr. A. K. Dogra, Joint Secretary, UGC, New Delhi, visited the college to assess it for conferment of Autonomous Status. The UGC has granted autonomy but the final word is now with the state government.

# Rector's Message

The world over the debate continues for education to focus on sustainable development with ecology receiving the utmost attention. A new generation of citizens must be educated to be truly creative and effective participants in the difficult task of reversing the current destructive results of conventional development.

There is order in the universe, which must be respected, and the human person, endowed with the capability of choosing freely has the responsibility to preserve the order for the well being of future generations.

Christ College aims at empowering the students for social transformation besides all other moral and ethical values. Because of the deep human crisis at the end of the 20th century, an immense task lies before educators, i.e., re-orienting education to bring about human excellence through better academic excellence and human values and moral perception.

The record of Christ College created by the committed services of the management and staff has already paved the way for a bright future. My hearty congratulations to the Principal, staff and students for their collaboration and team work for achieving the present excellence in every field.

**Fr. James Narithookil CMI**  
Rector

# The Principal

The Academic year started on 15th June 2004. After the inauguration ceremony, the students underwent an orientation for two days. The student strength increased to 5131, with 3576 studying in undergraduate courses out of which 1821 are boys and 1755 are girls. 524 students are pursuing post graduate courses of which 291 are boys and 233 are girls. The number of students in the Pondicherry twinning programme is 934 and in the international twinning programme is 87.

An orientation programme was held for the faculty members at Eagleton – The Golf Resort on 26<sup>th</sup> June 2004. This year we had two important visits. The UGC expert committee to grant Autonomy visited the college on 27<sup>th</sup> August 2004. The UGC has granted autonomy to Christ College. The proposal is now with the State Government. On 14<sup>th</sup>, 15<sup>th</sup>, 16<sup>th</sup> February the team from National Assessment and Accreditation Council comprising of Dr. Ashok Pradhan, Dr. Mamata Satapathy and Prof. Saxena visited the campus to assess us for re accreditation.

**New Courses:** This year, 2 new post graduate courses, a Master's programme in Mass Communication and another in Social Work were started. The college made a significant development in Travel and Tourism by joining the Global Network of IATA / UFTAA Authorized Training Centers. It is now the First Regular Degree College in India to be accredited with this distinction.

**Seminars:** A number of seminars were conducted by the departments. To name a few An international Conference jointly conducted with the United Board for Christian Higher Education – United Board Leadership Fellows Program from July 19-24 2004, The National seminar on 'Media and Social responsibility' on October 8<sup>th</sup> & 9<sup>th</sup> by the Department of Media Studies, The national Conference on Physical Education & Sports Sciences' on October 16 & 17, the UGC sponsored National seminar on 'The impact of WTO and Globalization on Higher Education in India' on February 7-9, 2005 by the Chemistry Department, and the National Seminar on 'The contemporary relevance of Premchand' on February 10<sup>th</sup> 2005.

## CCIM Christ College Institute of Management

*"Management is an art of making problems so interesting and their solutions so constructive that everyone wants to get to work and deal with them."*

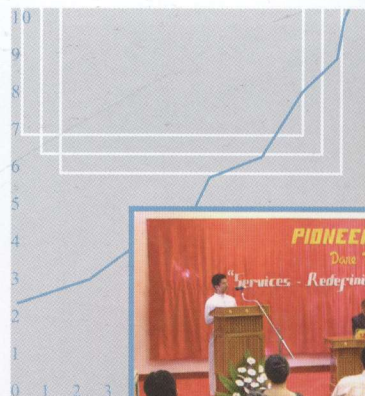

- Paul Hawken

**Ambika K**  
II MBA

CCIM is a place where opportunities galore and it is up to the individual to make the most of it. With experienced faculty who also serve as mentors, the exercise here is the discovery of one's latent potential and emerging as a confident personality at the end of two years.

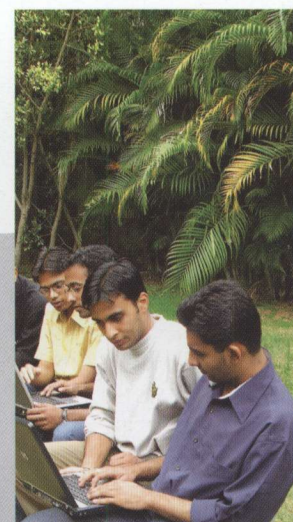

CCIM continues on its path of ascendancy in terms of the achievements of its students. In most of the national competitions, Christites have come back with their bag full – sometimes edging out the stalwarts like IIMB. No wonder, CCIM is the best B School in Bangalore after IIMB! A few more feathers in the CCIM cap!

- Ranked 23rd among best B Schools in India (Outlook, Sep.27, 2004)
- Rated 'A+' B-School (Business India, Oct 27, 2004)
- Rated in the top ten post 1990 B Schools in India (Outlook, Sep.,9, 2002)

#### Some of the notable accolades are:

- II MBA student, Ambika K, won 'The Most Employable Young Manager's Award' instituted by CII. She won the top prize after wading through 413 participants from 63 B Schools
- Empressario - Business Plan Competition hosted by NITIE
  - Sneha and Joe, second year MBA students beat a hundred odd entries to bag the third prize with their business plan 'Pet Health care'
- TARKASH 2004 at ICFAI Business School
  - CCIM won the overall trophy
- Vista -IIMB
  - The first year team of Krishna, Shreyas, Sajish and Rejoice got the second prize out of 50 teams in the Cavin Kare marketing workshop
- National B School Challenge – Business Today & Aditya Birla Group
  - Ambika and Rakshan Muneer were declared the South Zone winners

At CCIM, students discover that they can do more than they thought. A wide spectrum of activities like the Social Concern Project, India 2020, Book review competition, Dissertation, summer placements keep

them on their toes. The event which all the Christites cherish the most even after they leave the college is

**'Ushus'** – a B School annual fest organized exclusively by students. This year 35 colleges with 600 students participated. Christites do everything except participate in various events – they play a good host! This gives them a first hand experience of working in a team and managing all factors which an event of this size requires.

**'Pioneer'** another annual event where the students and faculty visit various entrepreneur units and have a first hand view of the functioning of these units. The best entrepreneur is selected through a rigorous assessment of set parameters and awarded 'The Best Business Achiever Award'. This year's award winner was Mr. Ravi Mudhol, who has a glass ampoule manufacturing unit in Haveri, Karnataka. The favourable fallout of this activity is that it kindles an entrepreneurial desire in the students. In fact some of the CCIM alumni are successful entrepreneurs today. It also includes the All India Business Plan competition, which invites business plans from colleges across the country.

Exposing the students to the corporate world is considered to be an essential part of their learning activity. With this in view CCIM invites corporate resource persons from the industry to share their experience with the students. This year luminaries who delivered lectures were:

- Mr Anand Radhakrishnan, VP- Portfolio Mgt., Franklin Templeton- Mutual Funds
- Mr A K Anand Kumar, Executive Director, Bangalore Stock Exchange
- Mr K Rajgopal, CFO, ABB

- Mr Ravi Kumar, Executive VP & Head of Treasury, ING Vysya
- Mr Sanjay Anandram, MD, Jump Start
- Mr Prakash Diwan, CEO, Way 2 Wealth Securities
- Mr Niladari Mazumdar, Head-Institutional Sales, Tanishq
- Mr Johnson Verghese, COO, Oyster Bay
- Mr. Sudhakar, MD, Fabmall
- Mr. Suresh Singaravelu, CEO, The FORUM

This year Christites opened a new chapter by launching a Newsletter called 'Christ Cameo'. This quarterly captures the events taking place in the college. Students also conduct interviews with business leaders which get reported in the Christ Cameo. This newsletter is expected to reflect the mood prevailing in the college, the temperament of the students, their hopes and aspirations. Christ Cameo is circulated to the corporate sector too.

Placements this year started early and students have been placed in the following companies:

**HDFC**  
**ThoughtWorks**  
**LG Electronics**  
**TCS**  
**Oracle**  
**South Indian Bank**  
**Microland**  
**ICICI Prudential**  
**ICICI Bank**  
**Reuters**  
**e-serve**

This year CCIM added a new dimension by holding Management Development Programmes, and Faculty Development Programmes. This brought enthusiastic response from the Industry. The following were the programmes conducted:

- Derivatives –The Building Blocks
- Branding – Current Trends and Challenges
- Industrial Relations and Labour Laws for Mgt. Educators
- Re-engineering of Pharma Marketing
- Seminar on Value Added Tax

More such programmes focused on specific interest areas are planned.

CCIM, true to its motto- “Excellence and Service”, has offered sectoral specializations to its students which reflect the current trends in the market. In this regard, Panel discussions are held throughout the year with eminent people from industry addressing students on emerging trends in the following sectors:

- Financial services
- Retailing
- ITES
- Insurance

A major event was the National Seminar held on March 4th, 5th 2005. The theme was “Winning Strategies for Sustained Competitive Advantage” in the service sector. More than 500 delegates attended the seminar. The Presidential address was given by Dr. M S Thimmappa, Vice Chancellor, Bangalore University and the keynote address was given by Ms Devaki Muthukrishnan, Regional Director for Karnataka, Reserve Bank of India.

The discussions centered around the fact that sustainability of competitive advantage would be possible only if the primary, secondary and tertiary sectors work together in tandem. Customer centricity was the focal point in the service sector – particularly in the telecommunication, insurance and healthcare sectors. The complexion of the retailing industry is changing, with customer awareness and demands undergoing a sea change. This required a matching response from the retail sector of business.

The following were some of the eminent speakers who shared their experience with the audience:

Mr. S Prabhakaran IAS, Former Secretary to the Govt. of India, Chairman-ISRO satellite Education  
 Mr. Ajay Bagga, CEO, Kotak Mahindra Asset Mgt. Co.  
 Mr. Pramod K. Gupta, Sr. Divisional Manager, LIC  
 Mr. Milind Kharosekar, Associate Partner, Accenture  
 Mr. C. K. Baljee, MD- Baljee Group of Hotels  
 Mr. K Radhakrishnan, Vice President, erchandising, Foodworld  
 Mr. Prabhat Pani, COO, Tata Teleservices  
 Mr. Rajen Padukone, CEO, Manipal Healthcare

The MSc Physics Students are exposed to research activities, Seminars, Guest lectures and educational visits.

Having Crystal Physics as specialization, the department is focussing on a research centre aimed on "Crystal Growth" and Characterization. The fourth semester students are encouraged to undertake short term projects in industries and other research institutions. The students are allotted to eight institutions in Bangalore to complete their project work.

Seminar sessions are arranged regularly, once a week. The topics for the seminar are assigned / selected at the beginning of the year and the students are guided to prepare for their presentation.

Guest lectures by prominent persons in the teaching / research fields are arranged to help the students get exposed to the developments in the field of Science.

Special lectures are arranged by the faculty and talented students, to share their experiences with others, after attending conferences or workshops.

Senior M.Sc. students visited a few research centers during a one week educational tour to Chennai. They visited Indian Institute of Technology, Anna University and Crystal growth center.

The faculty members attended several conferences / workshops and the students attended three conferences / seminars during the year 2004.

In the final examinations, our students secured 3rd and 4th ranks in the University Examinations.

The department conducted a survey on 'Christ College Student Profile' for the third consecutive year. In order to assess feedback from parents and guardians of Christites about the College, the department conducted a 'Stake holder's survey'. Budding statisticians of the department were involved in data collection and analysis using SPSS package. The survey report provided valuable information to the management and the faculty of the college.

A major activity of the department has always been to assist student and staff colleagues in the college with suggestions and guidance on statistical questions which arise in their research endeavors. The department continued with this best practice during the academic year.

I am glad that Christ College faculty and the management has given me the best exposure possible and I am proud of being a Christite. The whole experience in Christ College was remarkably nourishing. Academics in Christ College was indeed a great enjoyment and learning experience. I am sure the rigour in Christ College has prepared me to face the challenges of the world.

The twinning programme, with Pondicherry University since its inception in the year 1998 with 7 Courses and 92 students has now grown to 19 courses with 934 students enrolling for these courses.

The courses offered like BBA, MMM, MFM, MFT, MHRM, PDGHRM, PGDBA are in line with the requirements of the industry. They cater to the immediate needs of the current market and equip the students with the latest tools to counter the ever-changing needs of industry and academics.

The students come from all walks of life. People with vast experience and fresh graduates take to the courses alike. Thus there is a blend of both freshness and experience in the student

fraternity. They enrich themselves with new ideas and exchange experiences that form an essential part of our learning experience.

## Centre for Social Action

“Through **YOU**  
to the **World**”

In the month of July, 150 volunteers enrolled as volunteers of the Centre for Social Action. Mr. Ramesh Ramanathan, founder and chairman of Janagraha inaugurated the activities for the year 2004-2005. The various programmes co-ordinated by CSA for this academic year are:

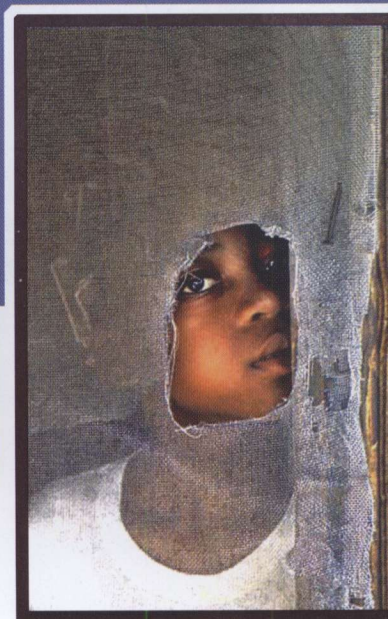

### ADVOCACY PROGRAMMES.

Social sensitisation programme (Vikas) continued this year also and the volunteers did a study on issues such as HIV/AIDS, disability, commercial sex workers, marginalised children etc. with the support of many NGO'S. Their findings were presented before a panel of experts on 12<sup>th</sup> January.

Under the programme Samveditha, the senior volunteers conducted sessions on various social issues in different schools and colleges and a discussion forum was held every Wednesday at Christ College which helped the students to discuss domestic and international issues.

Rural exposure programmes were organised for more than 1000 students from Christ College and neighbouring institutions of the project areas of CSA.

The participants of the exchange programme between Christ College and Sund folk college, Norway have

completed their assignment in their host countries and have returned to their respective home countries. The Christ college participants for the year 2004-05, Rakesh Gupta of II Bcom and Mahesh Kumar of II JP Eng left for Norway on 4<sup>th</sup> August 04 and Christ College received the Norwegian participants on 7<sup>th</sup> September 2004.

CSA also received students from Sweden, Norway, Japan and they were actively engaged in the various activities of CSA.

### COMMUNITY BASED PROGRAMMES

Believing in child focussed community development, under the child development programme, 1500 children from 25 villages and 4 slums in Bangalore are provided with educational and nutritional support. Students of Christ College have sponsored about 300 children.

Community based organisations like SHG's, children's clubs, youth clubs, village development committees are functioning effectively in all the target areas. Many SHG'S have initiated income generation activities with the support of CSA and other micro financial institutions.

Vocational skill training in carpentry, automobile, tailoring was given to youth and women from rural area and slums. A garment unit has been set up in Kenchanpalya village.

Housing and sanitation programmes are being implemented in Rajendranagar slum and villages of Gollahalli panchayat. 36 houses have been constructed under this scheme.

A major achievement of this year is the water shed development programme in the villages of Hoskote. Water conservative structures are constructed to make the ground water source strong.

### Other activities

To support its cause, CSA organised a fund raising programme called "ILLUSION INDIA" a magic show in December, 2004 featuring the internationally acclaimed magician Mr. Gopinath Muthukad.

Partnership meeting of FREDKORPSET ung 2004 was organised this year and delegates from Norway, Guatemala and Gambia attended the meeting.

Christ College and the Confederation of Indian Industry (CII) have signed a memorandum of understanding (MoU) in June 2001 with the vision of increasing industry-academic interaction. In pursuance of this understanding, Christ College has been involved in the Quality Summit organised by the CII since 2002. The fundamental theme of these summits is to infuse the perspective of total quality in the field of education.

This academic year, on 26th & 27th of November, 2004, a National Summit on **Quality in Education was held at Hotel Atria, Bangalore.** The focus of the programme was re-thinking quality for the future - the TQM way.

Sigma Xi – The Scientific Research Society of McGill- Montreal Bangalore Chapter organized its Annual lecture in the first week of July at the Conference Hall, Christ College. Dr. Vinaya Prathiba – Founder, President of TULSI and an eminent Scientist delivered a lecture on the 'Role of medicinal plants in primary health'. The programme was chaired by Ms. Sudha Murthy, the chapter president. The chapter honoured the winners of 'review article competition' and the students who participated in the activities associated with Sigma Xi.

A workshop on 'Innovative methods and creativity in teaching Sciences' was held with 23 participants from High Schools around Bangalore. Among the resource people were Dr. Ganesh Bhat, Prof of Education, MES College, Bangalore, and Dr. Kulkarni, Senior Scientist, GE, Whitfield.

# Green Army

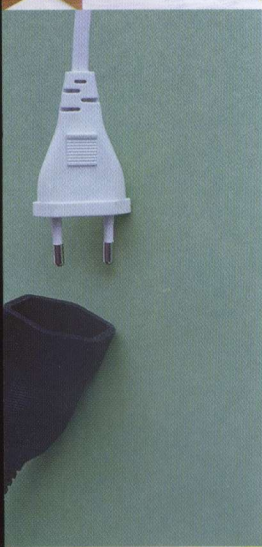

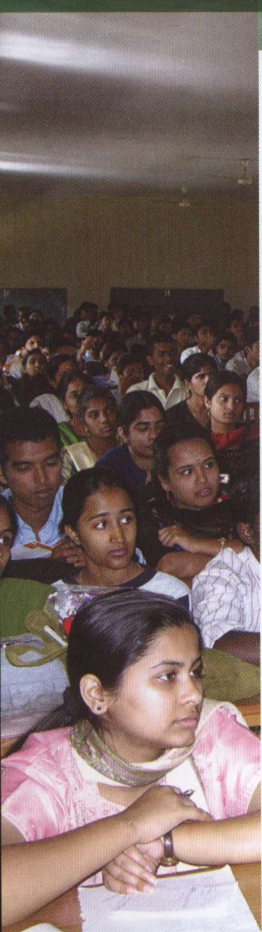

Activities of Green Army for the academic year 2004-2005 started with a water conservation awareness campaign, supported by the Karnataka Rajya Vijnana Parishat. An inter-collegiate essay competition and a two days village camp and check dam construction in Hoskote Taluk were under taken as part of the campaign. A trekking cum ecological meditation at Shivaganga hills of Tumkur District, a nature camp in the Muthodi forests of Bhadra Wild Life Sanctuary for three days, in association with the Youth Hostels Association of India-Shimoga Unit etc. were organized to foster survival skills and adventure spirit of the volunteers.

"Researching in to nature"- a study on lakes and medicinal plants with technical support from "teri" (The Energy & Research Institute) resulted in the paper presentation by two teams from Green Army at the regional office of "teri". The volunteers were actively involved in an environmental education programme for school children called '**Himalaya and you**' through out the year. Green Army started the process of setting up a medicinal plant garden with saplings supplied by the Himalaya drug company. An exhibition of Zoological specimens and a live snake demonstration were also carried out during the year.

# Placement Centre

The year 2004-05 saw **5** new companies visit the campus for placement. More than **263** students with an average salary of **Rs. 11000** were placed in these companies. The companies who were with us continued to extend their patronage. Important companies were HP, Reuters, Mearsk Sealand, Thompson Financials, ING Vysya Bank, IGATE, Wipro Technologies, Infosys Technologies, Ocwen Financials, E&Y, KPMG, Dell International, Progeon and MSource.

The year 2004-05 witnessed the advent of more financial sector companies in addition to IT and ITES sectors.

In the future, the centre hopes to brief all final year students on career opportunities by bringing in industry experts to the campus other than the existing pre-placement talks.

The centre intends to find niche areas for students aspiring for specialized careers.

# Career Alternatives

Christ College has been conducting a Career fair annually since 2001 to provide a common platform for students and Corporates to meet and interact. Career Alternatives 2005 in association with CII was held from 3rd to 5th of February to meet the emerging challenges of the industry by incorporating quality in education. The three day event was hosted at Christ Junior College quadrangle and was inaugurated by Infosys COO Mr. Gopala Krishnan. Various academic and vocational training institutions, Corporate and IT service providers showcased their services and attracted customers; students and employers.

To coincide with the exposition, two conferences, Career Opportunities in various sectors

and a CEOs Speak workshop were held. Some of the sectors that the conference focused were IT/ITES, biotechnology, healthcare, retail, advertising, manufacturing, financial and legal service and media. Students from institutions across the city attended the conference. The event succeeded in creating a synergy between the world of education and the needs of the industry.

# ACC

## Association of Christian Christites

Association of Christian Christites is an organization of Christites who come together as one family, grow in faith together and spread the spark of faith, love, and hope in the campus. ACC organizes a series of events which help the students to be aware of our various responsibilities as Christians.

The ACC Annual Retreat- 'YESHUA'- 04-was held on 18th July 04. The resource person of the day was Rev. Fr. Siby, CMF. The ACC representatives for the year 2004-05 were selected during the retreat. To train these representatives a leadership camp was held at Vidyavanam Ashram from 31st July to 1st August 2004. It was conducted by Mr. C.C. Joseph the former national coordinator of Jesus Youth and his team.

An initiation program for the 1st years called "EPHPHATHA"- open up was held on 1st September 2004. And in this program the much awaited first edition of the ACC newsletter, 'THE SCROLL' was released by Rev. Fr. Benny Thomas. The scroll is a medium which is used to communicate the activities of ACC.

A Bible Quiz competition was organized for all the students. 71 teams participated in the quiz. The final round was conducted by Mr. C.C. Joseph.

The P.G. retreat- TOSHEVA- was held on November 7th 2004. The retreat was conducted by Bro. Collin and his team from ICPE.

Christites celebrated Christmas together. Rev. Principal, Fr. Thomas C. Mathew was the Guest of Honor of the day. Mr. Davis K. K., Senior Manager, Talent Management and Leadership Development, I Flux Solutions, was the Chief Guest. On this occasion the II edition of Scroll was released. This was a special edition on Christmas with many articles regarding the history of Christmas, and the opinion of the students and the staff about Christmas.

As a part of sharing the joy of our Lord's birth ACC class representatives went to St. Augustine's Old Age Home and celebrated Christmas with the inmates there.

All these activities were made possible under the dynamic guidance of Fr. Paul Achandy, Fr. Benny and the able support of the teacher coordinators - Mr. Barnabas, Mr. T.V. Joseph and Mrs. Jasmine.

# Alumni Association

The Alumni Association distributed note books to 300 children of the Govt. Middle School, Varthur village in August 2004.

The AGM was held on the third Sunday in October at the College auditorium and was presided by the Director and Principal, Dr. (Fr) Thomas C Mathew. Mr. Jugnu Oberoi was re elected as President and Mr. E. Jerome was re nominated as the Secretary.

The Alumni Family Get-together-2005 was held on 26th January and presided by Mr. Harish Bijoor who stressed the need to think creatively and contribute to the growth of society. The association honoured two alumni – Mr. Prem Koshy and Mr. Agarwaal for their Life Time Achievement in the fields of Business & Sports.

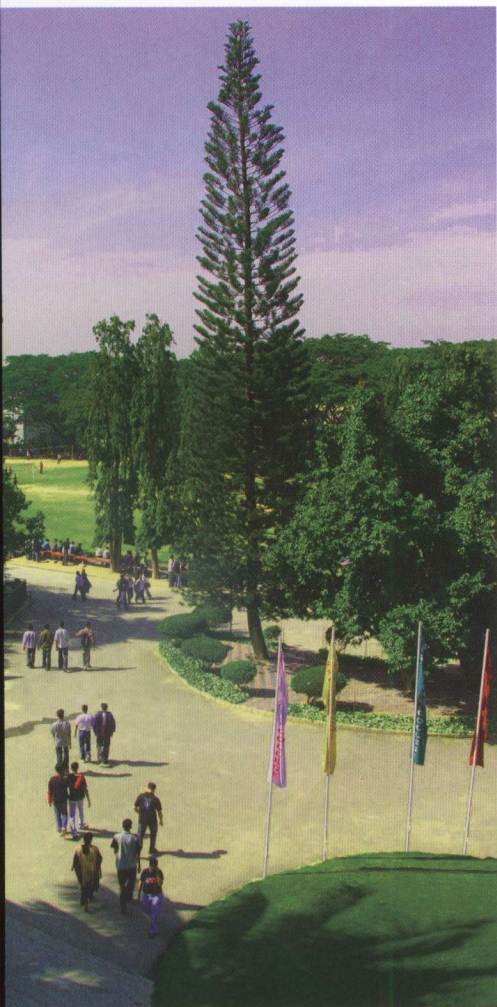

On Graduation Day, Col. Basil Hobkirk, an Alumni of the college welcomed the out going final year students to join the Association and shared his experiences and the impact the college has had on his life.

# Counselling Centre

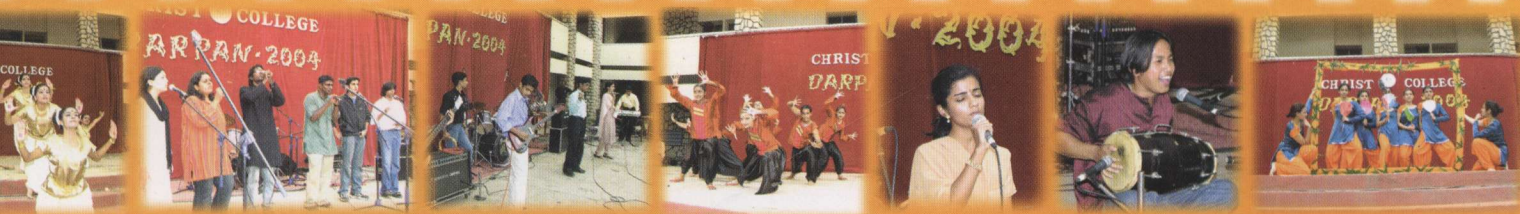

The Counselling Center aims at providing Counselling and Health Services to students in an accessible student focused environment. Students going through emotional and other crises are seen here and if necessary referred to professional mental health care facilities. The Center as part of its work also monitor the attendance of students ensuring that as many students as possible qualify to appear for the University examinations. The effectiveness of this Center has been indicated by the gradual increase in the number of clients seeking help and a corresponding decline in the number of detainees over the past few years.

Programmes that sensitise students to various issues that affect their mental health and well-being are conducted every academic year. Sexuality and Health modules were also conducted by the Medical Practitioner associated with the Center.

# College Anthem

March on Christites, March on  
with heads held high and hearts so strong,  
march on Christites, March on:  
With a steady tread and a cheerful song,  
march on, Christites March on.

With Excellence our Goal  
we walk the wheel of time,  
striving for the greatest,  
in body heart and mind.  
The flame we hold aloft,  
a beacon shining bright,  
leading by example,  
where darkness we bring light.

Service is our Motto  
as we strive to change the world,  
we seek the book of knowledge,  
as life begins to unfurl.  
As we go through life,  
The star of Heaven our guide,  
and though we change with time,  
the Christite spirit survives.
