The art of teaching is the art of assisting discovery. Having had the opportunity to start my teaching career in the year 2019 with the B.Com (F&A) students has enabled me to do just that. The determined minds, unwavering optimism, and complete vibrance of the class, no matter which year, have always filled one with a sense of pride to be associated with this department.

I wish to offer my congratulations to the entire team involved in bringing this exciting new edition of Magnate to life, and I extend my best wishes to all the students as they embark on their future journeys. God bless.

Warm Regards,
Mr. Parthiban R

Faculty, DPS

When, right after school, most kids wondered what to do, you stood apart by dreaming big and enrolling in B.Com (F&A), a course designed to facilitate CA foundation and CA intermediate exams conducted by ICAI. Pursuing a full-time undergrad programme along with a demanding professional course is tough for most people. I'm proud to see you, at this tender age, manage multiple roles brilliantly. We know that your day starts before the sun rises and ends way after it sets. You manage university academics, CA curriculum, and professional exams, which are already demanding, yet you do not shy away from participating in extracurriculars, fests, and inter-university events. Some of you start with your articleship and experience the corporate world even before you graduate.

B.Com(F&A) Alumnus,
Batch 2016-2019

This journey will indeed test your patience and sometimes force you to question your decisions and choices. Never ever question your self-worth or your achievements. Keep that kid with big dreams always alive within you. Know that learning is a continuous journey; there is no end to growth. Changing your career plans to pursue your true calling is a personal choice you can make any day. Be brave enough to make that choice, and be mindful that it remains yours. Make this hustle count and ensure that, one fine day, when you look back, your conscience knows that you left no stone unturned to achieve your dreams. I wish you kids all the best for your future. Make us proud!

I'm thankful to Christ University for having this special course designed for us and for the excellent exposure it continues to provide. Lastly, big applause to Team Magnate for putting this wonderful newsletter together, showcasing our remarkable achievements and intellectual brilliance. I look forward to future editions.

Best Regards,
CA Diksha Kundu

CONVOCATION 2023

Dignitaries at the lighting of the lamp

The convocation of the B.Com(F&A) batch of 2023 was a momentous occasion on July 2, 2023. It was a day that marked the culmination of years of academic dedication and the dawn of a new chapter in the lives of the graduating students. CHRIST (Deemed to be University), Central Campus, Bangalore, was adorned with excitement and achievement. One of the event's highlights was the presence of the distinguished Ms. Girija Subramanian, the Chairman cum Managing Director of the Agricultural Corporation of India, who graced the convocation as the chief guest. The anticipation for the convocation had been building up. The day finally arrived. The campus was a hive of activity as students donned their regal graduation robes, and the atmosphere was filled with a sense of pride and accomplishment.

The audience greeted them with respect and admiration as they entered the auditorium. Ms. Divya R Krishnan and Dr. Rejoice Thomas, Academic Coordinators, announced the names of the graduates. Dr. Martha Sucharitha, Academic Coordinator, and Dr. Senthil Kumar A, Associate Professor, from the Department of Professional Studies handed over the graduation certificates to the Chief Guests. The convocation ceremony encapsulated the university's commitment to holistic growth and the nurturing of future leaders. It emphasized academic excellence and the development of conscientious global citizens who could contribute meaningfully to society. The words of inspiration from the faculty and the chief guest resonated deeply with the graduating students, instilling in them a sense of responsibility and purpose. A remarkable aspect of the convocation was the thoughtfulness put into ensuring that all could partake in the celebration. Live telecasts of the ceremony were displayed on LCD screens strategically positioned around the campus, allowing guests to be part of the momentous event from different locations. As the ceremony reached its pinnacle, the B.Com (F&A) students were individually called forward to receive their convocation folders from the Chancellor.

Each step they took across the stage was a symbolic representation of their academic journey, a journey that had been marked by hard work, perseverance, and unwavering determination.

The School of Commerce, Finance, and Accountancy had orchestrated an event more than a formal culmination of studies. It celebrated knowledge gained, friendships formed, and challenges overcome. It was a testament to the power of education and the potential that each graduate held within themselves. The convocation ceremony was a tapestry woven with tradition, excellence, and hope. Adorned in their robes, the graduates stood on the precipice of a new adventure. Their accomplishments were not just their own but a reflection of the faculty's dedication, their families' support, and their unyielding commitment.

The convocation of the B.Com(F&A) batch of 2023 was a day that will be cherished in memory. On this day 254 graduates of Batch 2020-23 B.Com (F&A) received degree certificates.

CONFLUENCE 2023

Confluence is about a month-long event and includes orientation sessions for first-year students, ensuring a smooth transition into campus life and the department's ethos. In this unique event, senior students warmly welcome the first-year newcomers. Confluence, initiated by seniors, is an amalgamation of formal and informal introductions, ice-breaking activities, engaging games, and a platform for juniors to showcase their talents, all designed to foster a sense of belonging and comfort.

Seniors play an important role during this event, encouraging juniors to interact with their peers and forge new friendships. Students gain insights into their academic journey through formal orientations and can choose additional courses to enhance their learning experience.

This year Confluence took place from July 12 to August 5, 2023, across various venues on campus. The freshers' active participation and excitement throughout the event made it a resounding success. This event provided valuable insights to newcomers and empowered them to embark on their academic journey with confidence and enthusiasm.

Welcome performance by the seniors

Confluence is a testament to the DPS community's commitment to creating a supportive and inclusive environment where each student's potential is nurtured, celebrated, and set on a growth path. As these fresh faces become an integral part of the DPS family, Confluence begins a fulfilling journey filled with learning, friendship, and personal development.

CONFLUENCE 2023

Day 1 - On July 12, 2023, the B.Com (F&A) programme organized a campus tour for the first-years. Divided into two groups with section A & B students together and section C & D students together, each led by three senior volunteers, the tour was supervised by two University Student Council Members. Starting at Block IV's entrance, the tour concluded at the Main Gate. The students were shown various campus highlights including the Birds Park, Kiosk, red benches, Block 2, Block 3, Block 1, University Ground, UG Library, PG Library, Central Block, and Audi Block.

Throughout the tour, second and third-year students shared their favorite cafeterias, eateries, and hangout

spots, providing valuable experience to the freshers. Additionally, the offices of clubs such as SWO, Parivarthana, NCC, and many more were introduced. This activity fostered connections between students and allowed the first-year students to familiarize themselves with the campus environment, an experience that would have been impossible without the guidance of their seniors.

This tour not only helped the freshers acquaint themselves with the campus but also provided an opportunity to build connections with their peers and seniors. It allowed them to appreciate the campus' beauty and anticipate the memorable experiences they would have during their next four years at the university.

Guest Lecture on 'CA as a Profession'

The department of Professional Studies, recently presented an enlightening Alumni Interaction event on the topic "CA as a Profession" on July 8, 2023. The event aimed to bridge the gap between past and present by providing valuable insights into the world of CA.

The guest speaker for the event was CA Dalbir Singh Babra, an accomplished alumnus of the B.Com (F&A) program from the batch of 2011-2014. With his designation as an Assistant Transition Manager at Consero Global, he brought a wealth of experience to the interaction.

During the session, he shared his journey and experiences as a CA, shedding light on the challenges, opportunities, and the path to success within the realm of CA. The event provided an exceptional platform for current students to grasp the intricacies of the profession directly from a seasoned practitioner, enhancing their understanding of the finance and accountancy field.

ORIENTATION

B.Com (F&A) Students Participation in Bloomberg Terminal Orientation

Bloomberg Terminal orientation sessions were meticulously organized for the Final year B.Com (F&A) students in collaboration with Mr. Yugantar Rathore, an esteemed Bloomberg Associate from CHRIST (Deemed to be University). The sessions took place in the Bloomberg Lab of the R & D Block, providing an ideal setting for knowledge dissemination.

Third Year B.Com (F&A) B section students attending Bloomberg Orientation by Mr. Yuganthar Rathore in the R&D Block

Bloomberg Terminal is a powerful financial research and data analysis tool provided by Bloomberg, a global leader in financial software, data, and media. It offers a range of functions and features that enable users to delve deep into the intricacies of the financial world, making informed decisions and predictions.

This course offers a structured curriculum that covers a wide range of topics in finance, supported by practical exercises and real-world examples. Students gain proficiency in navigating the Bloomberg Terminal, accessing critical financial data, and performing advanced analysis. Students got a solid foundation in utilising.

Bloomberg Terminal is a sophisticated financial tool, allowing them to conduct in-depth research, perform complex analyses, and make informed financial decisions. Whether pursuing careers in investment banking, asset management, trading, financial analysis, or other finance-related fields, graduates of this course will be well-prepared to excel in the dynamic and competitive world of finance.

Starting on July 24, 2023, we kicked off a series of engaging sessions tailored to meet the diverse needs of our students. The schedule was carefully planned in segments to ensure everyone could participate effectively and grasp the content. The first session, exclusively organized for Section D students, took place from 9:00 am to 10:00 am under the guidance of Dr. Seranmadevi R. Continuing the learning journey, on July 28, 2023, Section A students got their turn to dive into the world of Bloomberg. These sessions provided valuable knowledge and a deeper understanding of finance. Stay tuned for more upcoming opportunities to expand your horizons.

Guided by Dr. Itishree Pattnaik, the session extended between 9:00 am and 10:00 am, encompassing a dedicated hour for exploration. Concurrently, Section B & C (Taxation) students engaged with Bloomberg from 10:00 am to 11:00 am. On July 31, 2023, Section B & C (Finance) students joined the Bloomberg experience from 10:00 am to 11:00 am. This session, like its predecessors, empowered students with Bloomberg's capabilities. Around 250 eager minds attended, impacted by insights into Bloomberg's potential. Such adept harnessing left an indelible mark, enriching understanding and sparking a passion for financial and analytical tools.

EXTRACURRICULAR ACTIVITIES

Darpan - The Intra University Talent Hunt

Darpan is an annual intra-university festival that features a range of talent competitions. It selects students for the cultural team, representing the university at inter-college fests nationwide. The event showcases diverse talents like singing, dancing, theater, and more. In 2023, Darpan ran from August 7th to August 26th, with a captivating opening by the University Choir and Wind Orchestra. It drew students and faculty from across the university to the University Ground on August 7th, 2023, for its inauguration, featuring departments like Professional Studies and Commerce."

It is a boiling pot of opportunities and competitors from which the best students are chosen to form the cultural team, who will go on to represent the University in various inter-college fests across the country. These teams act as the true face of the University as they include students from all departments, well-versed and expertise in the particular fields. Darpan allows the students of CHRIST (Deemed to be University) to showcase their talents in every possible field.

Moreover, there is something for everyone in this prestigious event. One can find a wide spectrum of talents through Darpan, ranging from artistic to orating. Western Acoustic Singing, Indian Classical Dance, Acapella, Proscenium Theatre, Extempore, Reel Making, Painting, and Origami are a few of the many competitions conducted during Darpan.

This year, Darpan has been conducted from August 07, 2023, to August 26, 2023, entertaining students and faculty alike, throughout the University. Darpan kicked off with a mesmerizing performance by the University Choir and Wind Orchestra and they presented 'The Dancing Queen' and 'Come Alive!', two enchanting compositions. An inauguration dance continued after this, followed by an energetic face-off between Students, especially from the Department of Professional Studies and the Department of Commerce all the University who were present at the University Ground to watch the inauguration of Darpan and the Pedagogic League on August 07, 2023 at 3:00 p.m.

CA Articleship

CA Articleship is a crucial practical training phase in the journey to becoming a Chartered Accountant. As mandated by the Institute of Chartered Accountants of India (ICAI), aspiring CAs undergo a three-year articleship under a practicing CA. This period provides hands-on exposure to various domains including auditing, taxation, accounting, and advisory services. Articleship allows candidates to apply theoretical

knowledge acquired in exams to real-world scenarios, honing their professional skills and ethics. The articleship journey not only supplements theoretical learning but also fosters networking, mentorship, and a deeper understanding of industry dynamics, crucial for a successful career as a Chartered Accountant. Below are the students who have recently begun their articleship after successfully clearing CA Intermediate in the June 2023 attempt.

Startup by B.Com(F&A) Alumni

Ms. Keerthana RS and Sanjana RS, two sisters, who graduated from Christ University with B.Com (F&A) degree, have now established a startup together known as Shreem which focuses on skincare and haircare. The startup focuses on manufacturing eco-friendly, zero preservatives, and ayurveda backed products. They can be reached out through their instagram page @shreemherbal

Shreem: Your Skin and Hair's Eco-Chic Makeover!

Hey there, Magnate readers!

Hold onto your skin and haircare regime, because we are about to drop some seriously awesome news that will have your skin and hair saying "thank you" in ways you never thought possible. It's time to dive into the captivating tale of "Shreem" – the startup that's rewriting the book on skincare and haircare!

Our Journey: Battling Acne, Defying Doubt, and Taming Tresses

Having battled stubborn acne and pigmentation throughout my teenage years, my confidence took a hit. Like any teen, I consulted dermatologists and tried countless creams, routines, and doctors. But patience and money wore thin, and my skin worsened.

Treatments worked, briefly. Yet, stopping meant skin troubles flared worse. I craved a lasting, planet-friendly fix.

Enter my savior – My Ajji. From Karnataka's Malnad region, she imbibed wisdom from forest folk. She blended rare potent herbs into a body cleanser, which was her skincare routine for decades.

Switching to her cleanser revolutionized my routine. We ditched soaps for good and committed to this herbal mix forever. Sourcing these elusive herbs in Bangalore proved tough. Unlike trendy chemicals, these herbs were not in vogue.

Now, what makes Shreem the unicorn of the skincare and haircare realm? Get ready for the drum roll!

Eco-Friendly, Pocket-Friendly, and Oh-So-Potent

🌿 **Completely Eco-Friendly:** Say goodbye to wasteful bottles and hello to a guilt-free skincare and haircare routine. Shreem is all about nature-loving goodness that doesn't harm our planet.

🚫 **Zero Preservatives:** We're not fans of chemicals that feel like an alphabet soup. Shreem is free from preservatives and other nasties, giving your skin and hair the care they deserve.

🌿 **Ayurveda Backed:** Backed by ancient Ayurvedic wisdom, our products are a nod to the power of nature in all its glory.

🎯 100% Result Oriented: If results were a race, Shreem would be Usain Bolt. Our products mean business, and they're here to give your skin and hair the glow they're longing for.

Guided by Ajji, we revamped all our offerings to combat environmentally-induced skin problems. After numerous trials, we're delighted with the remarkable outcomes. Our product range includes Body Cleanser, Hair Wash Powder, Hair Oil, and Face Oil and much on the way! Explore our nature-inspired collection on Instagram: @shreemherbal.

Discover our collection through our WhatsApp catalogue. Alternatively, drop us a message on Instagram. Enjoy a 10% discount on all products using the coupon code "Magnate10". Happy shopping!
