

# A MELANGE OF DYNAMISM STRENGTH & UNITY

The first Annual Athletic Meet of CHRIST (Deemed to be University) Yeshwanthpur campus took place with great pomp and grandeur at the Kengeri campus on 14th January 2023. Credits to the breath-taking location, the sports event was a success and witnessed active participation from every deanery. The event kickstarted with the university band performing in the forefront followed by a classical Bharat Natyam performance.

Students were dressed in jerseys that corresponded with the colour of their school and deanery. The reds, whites, blues, yellows and greens, set a mood of inclusivity, competitiveness and discipline. The event was inaugurated by International athlete Ms. Bharati B.L and the Vice Chancellor Fr Dr Abraham V.M. followed by a torch relay lead by the national and international athletes from the Yeshwanthpur campus.

A sight of coordination and harmony was portrayed in the flashmob performed by the two thousand-odd students under the umbrella of the Yeshwanthpur campus. The team was led by the SWO Dance Crew. One of the major highlights of this historic event was the inauguration of the first-ever campus magazine, “Karwaan” which documents the journey of every Christite indigenous to the Yeshwanthpur Campus. Indeed, the event sets up high expectations for the next years to come.

# SPEECHES

## CHIEF GUEST

International athlete and Throwball champion Bharati B.L was the Chief Guest of the Annual Athletic Meet. She inspired the audience with an anecdote from her childhood. In her speech, Ms. Bharati spoke about how her father had instilled the habit of running early in the morning every day in her childhood. As a little girl, she couldn't quite understand the values her father had wanted to teach her but it ended up helping her in the end.

What differentiates mundane from greatness is not having motivation all 365 days but rather pushing one's boundaries when one is drowning in a sea of lethargic demotivation, according to Bharati B.L. Her ideas of success and discipline managed to captivate and inspire the audience, cementing a sense of work ethic in their minds.

Ms Bharati drew to end of her speech by speaking a little about depression. She encouraged students to seek help and find an outlet for their emotions rather than bottling them in. Through her commendable advice, she also managed to open up a healthy discussion of mental health and seeking help.

## VICE CHANCELLOR

The Vice Chancellor, Col Fr Dr Abraham VM took to the stage to address the students of the Yeshwanthpur campus. He began by declaring the Annual Athletic Meet- a Red Letter Day in the calendar of the Yeshwanthpur Campus. The statement was met by applause.

The Vice Chancellor talked about the significance of sports and the vital role of sportsmanship in it as well as everyday life. He quoted the wise words of Mathew Arnold, a celebrated member of the British Parliament as he talked about how sports is a means to not only temper the body but the mind as well. He described sports as a celebration of strength, dedication, and commitment. Sports has the strength to unite people and give hope during the darkest of times, filled with hardship and suffering. The speech drew to an end as the Vice Chancellor congratulated the outstanding performance of the band and everyone involved in organizing the event.

## March Past Winners

School of Arts and Humanities owned the track while marching.. Social Sciences in 2nd position and Business and management in 3rd position, all the winners were felicitated with cash prizes.

## Overall Champion

School of Business and Management emerged victorious after their splendid performance on the field.

# They made it happen...

## Transportation

Dr. Sumit Haluwalia, Ms. Shiba Shankar Pattayat, Anirban Kundu from the Economics Department coordinated for 43 buses to transport 1752 students from the Yeshwanthpur campus to the Kengeri campus

A meeting was held to brief all the faculty and students involved in the event

## Tabulation

A team of 7 students from B.Sc. Computer Science entered the results of all the events in real time. They also made the official website for the event.

## Health Services

Reena Biju and team effectively aided the event by providing first aid for wounds along with glucose and ORS for the athletes who were in need.

## Sports Coordinator

The sports coordinator for the Yeshwanthpur Campus, Mr. Praveen Kumar was in charge of the planning and the smooth running of the entire event.
